Viatrix Pharmaceutical Company Limited or any of its divisions, affiliates (including but not limited to Mylan (TAIWAN) limited) and subsidiaries (“Viatrix”) hereby retains the supplier (“Supplier”) set forth in the order form into which these terms and conditions are incorporated by reference (including attachments thereto, the “Order Form”) on the terms and conditions hereinafter stated (including terms and conditions that are incorporated herein by reference, the “Purchase Order Terms and Conditions,” and together with the Order Form, the “Purchase Order”) to supply the materials, supplies, items or equipment (the “Products”) and/or perform the services (the “Services”), as the case may be, described in the Order Form. Nothing in this Purchase Order shall be interpreted to prevent Viatrix from obtaining from any other third party, or providing to itself, any or all such Products or Services or from ceasing to use Supplier to provide such Products or Services.

In the event of a conflict or inconsistency between any of the provisions of this Purchase Order Terms and Conditions and any of the provisions of a written agreement between Viatrix and Supplier (“Agreement”) covering the subject matter of this Purchase Order, the provisions of the Agreement shall govern and supersede any such conflicting or inconsistent provisions of this Purchase Order. In the absence of an Agreement, this Purchase Order constitutes the entire agreement of the parties with regard to the subject matter, and supersedes all previous written or oral representations, agreements and understandings between Viatrix and Supplier and any different or additional terms and conditions. In the event of a conflict or inconsistency between any of the provisions of the Purchase Order Terms and Conditions and any provisions of the Order Form covering the subject matter of this Purchase Order, the provisions of the Purchase Order Terms and Conditions shall govern and supersede any such conflicting or inconsistent provisions of the Order Form.

Supplier’s acceptance of this Purchase Order may be in writing, email, fax, EDI or other manifestation of acceptance such as, but not limited to, Supplier’s initiation of performance, or through Supplier’s provision of any Products or Services covered by this Purchase Order, or through Supplier’s acceptance of any payment made pursuant to this Purchase Order, whichever occurs first. Except to the extent expressly accepted in writing by Viatrix, Viatrix hereby affirmatively rejects any different or additional terms and conditions proposed by Supplier or contained in any acknowledgement, invoice or other form of Supplier, notwithstanding Viatrix’ acceptance or payment for any Products or Services or any similar act of Viatrix.

1. PRICE; INVOICING; PAYMENT

- (a) Price. The price for the Products shall, as applicable, cover the net weight of the Products, and no extra charge of any kind, including charges for boxing, packaging or crating, shall be allowed unless specifically agreed to in advance in writing by Viatrix. The price for Services shall cover all activities required to perform the Services as contemplated in this Purchase Order.
- (b) Taxes. The amount of taxes imposed will be separately stated on any related invoice and all amounts shown will include all local sales, use, excise and similar taxes applicable to the Products or Services sold or provided under this Purchase Order or the materials used in connection therewith; and Supplier shall pay any and all such taxes, except taxes required by Law (as defined in Section 6(a) below) to be paid or borne by Viatrix. Notwithstanding the foregoing, each of Viatrix and Supplier shall bear sole responsibility for all taxes of any kind imposed by local, or foreign governmental authority, directly on said party, including, but not limited to, those on, or measured by or referred to as income, gross receipts, financial operations, franchise, profits, license, excise, premium, windfall profits taxes, duties or similar fees, assessments or charges of any kind whatsoever, together with any interest and any penalties, additions to tax or additional amounts imposed by such governmental authority with respect to that party’s income, operations, employment, property (whether owned, leased or deemed to be owned or leased) or business operations.
- (c) Invoice; Payment; Billing Disputes. Unless otherwise specified by Viatrix, Supplier shall invoice Viatrix for the Products or Services provided under this Purchase Order only after the Products or the Services are received by Viatrix. Final payment shall not be made until the Products or Services provided meet the requirements specified in this Purchase Order. Unless otherwise specified by Viatrix on the applicable Order Form, payment terms shall be net ninety (90) days after Viatrix’ receipt of the applicable invoice submitted in accordance with, and containing any information specified on, the applicable Order Form. All invoices shall be paid with the next scheduled processing run immediately following the invoice due date. Viatrix may set off any amount owing from Supplier to Viatrix against any amount payable by Viatrix. Viatrix may withhold payment of any invoiced amounts that it disputes in good faith and the parties shall work in good faith to resolve any such billing disputes. Such withholding of payment during any dispute shall never be the basis of a Viatrix default hereunder. Any such billing disputes shall not be cause for Supplier’s nonperformance of Services and/or non-delivery of Products, as the case may be, under this Purchase Order. Payment by Viatrix shall not result in a waiver of its rights under this Purchase Order. Further, Supplier

shall perform its obligations under this Purchase Order in a manner that meets or exceeds the service levels, if any, set forth in this Purchase Order. If Supplier fails to meet any such service levels, Supplier shall perform a root cause analysis of such failure and shall promptly take corrective actions. Additionally, in the event of any such failure, Viatris shall receive the service level credits, if any, set forth in this Purchase Order. Service level credits shall not be deemed Viatris' sole and exclusive remedy for any failure by Supplier to achieve service levels. In order to be eligible for reimbursement by Viatris of reasonable out-of-pocket travel and travel-related expenses incurred by Supplier Personnel (as defined in Section 6(a) below) in providing the Products and/or Services hereunder, all such expenses incurred by Supplier: (i) must have been pre-approved by Viatris in writing prior to the date such expenses are incurred; and (ii) must be in compliance with Viatris' travel and entertainment guidelines, as supplemented and/or amended from time to time. Supplier will (i) provide truthful and complete documentation supporting, in reasonable detail, the delivery of the Products or the Services performed and any expenses incurred, (ii) maintain true, accurate, and complete invoices, reports, statements, books, and other records, and (iii) secure pre-authorization in writing from Viatris for any extraordinary expenditure.

Shipments must equal quantity ordered, unless otherwise agreed to by Viatris in writing. Supplier shall provide a packing list to Viatris (which shall be securely attached to the outside of the package) for all shipments referencing this Purchase Order number. Unless otherwise specifically provided for herein, Supplier shall be responsible for freight and delivery to the destination specified on the applicable Order Form. All freight and delivery charges will be borne by Supplier, unless specifically agreed to in advance, in writing by Viatris. Provided Viatris agrees to accept such freight and delivery charges in advance, the amount allocated for product freight delivery will be separately stated on the Order Form and any related invoice, and all amounts shown will include all packaging, loading and shipping applicable to the Products or Services sold or provided under this Purchase Order or the materials used in connection therewith. Under no circumstances will Supplier include in such charges, or will Viatris bear, additional or charges related to the freight and delivery of covered Products and/or Services, including, but not limited to, fuel surcharges, energy surcharges, or seasonal surcharges, whether originated by Supplier or on behalf of any third party. Notwithstanding any provision in this Purchase Order to the contrary, Supplier shall bear all risks of loss and damage to the Products until final acceptance by Viatris at Viatris' "ship to" destination specified on the applicable Order Form. Further, Supplier shall bear the same risks with respect to any Products rejected by Viatris or as to which Viatris has revoked its acceptance from the time of such rejection or revocation.
- (b) Customs Clearance. For shipment of Products imported into the commerce of Taiwan, Supplier shall promptly provide Viatris with a commercial invoice that includes the information required, as supplemented and/or amended from time to time. Supplier shall remain fully responsible for its compliance obligations under this Purchase Order.

- (e) Cancellation. The delivery of Products and/or Services shall strictly comply with the delivery date or delivery schedule, if any, specified by Viatris. If at any time it appears that Supplier will not meet such delivery date or schedule, Supplier shall promptly notify Viatris in writing of reasons for, and the estimated duration of, the delay. If requested by Viatris, Supplier shall ship delayed Products by means to avoid or minimize delay to the maximum extent possible, any added cost to be borne by Supplier. In addition to its other remedies, Viatris reserves the right to cancel all or any part of any Purchase Order for the undelivered Products or unperformed Services if Supplier does not deliver the Products or perform the Services as specified in this Purchase Order.
- (f) Changes. Supplier acknowledges and agrees that Viatris may provide Supplier with a written request for changes to the Services and/or Products, as the case may be, from time to time. Viatris and Supplier shall review all such requests to determine the effect, if any, such requested changes may have upon fees payable,

delivery schedule, and other terms and conditions of this Purchase Order. After such effects have been assessed, Viatris may decide, in its sole discretion, whether to implement such changes. If Viatris elects to implement such changes, the parties shall enter into a written agreement signed by both parties that describes such changes, which agreement shall constitute an amendment to this Purchase Order.

- (g) Inspection; Acceptance of Products and Services. All Products or Services delivered or performed shall be subject to final review, inspection and acceptance by Viatris, notwithstanding any payment or initial inspections. Acceptance of Products and Services shall occur when the Products or Services delivered under this Purchase Order have been inspected by Viatris and determined to meet the requirements specified in this Purchase Order. Viatris shall make such inspection within a reasonable period of time (not to exceed ninety (90) days) after the applicable Products have been delivered or Services completed by Supplier. For the avoidance of doubt, there shall be no time restrictions applicable to Viatris' provision of notice of rejection of any Product with respect to any latent defects, which shall include any defects that may not be detected by Viatris through standard inspection and testing of a Product sample or that may affect only a portion of Product. If the Products or Services do not meet such requirements, Viatris shall give Supplier detailed written notification of the deficiency or non-conformance and a direction to Supplier to promptly (and in any event within thirty (30) days): (i) repair, replace or re-perform the deficient or non-conforming Products or Services; or (ii) cease all Supplier activities related to Products or Services; and/or (iii) refund to Viatris all fees paid by Viatris hereunder for the deficient or non-conforming Products or Services and those Products or Services that are dependent on such deficient or non-conforming Products or Services. Any such corrected Products or Services shall be subject to the same inspection and acceptance terms provided for in this Section 2(g). If Viatris directs Supplier to repair, replace or re-perform the deficient or non-conforming Products or Services and Supplier fails to complete same within thirty (30) days after Viatris' direction, then Supplier shall refund to Viatris all fees paid by Viatris hereunder for the deficient or non-conforming Products or Services and those Products or Services that are dependent on such deficient or non-conforming Products or Services. Inspection and acceptance of any Products or Services by Viatris shall not affect Supplier's warranties or Viatris' remedies under Section 6(a) below. The foregoing shall not be construed to limit or exclude any other rights or remedies of Viatris at law or in equity.

Supplier has not and will not use, in any capacity in connection with the delivery of the Products or the Services performed under this Purchase Order, any person or entity who or that has been designated as a Restricted Party or is owned or controlled by a Restricted Party. Supplier will immediately notify Viatris in the event that any of the representations, warranties or covenants in this Section 6(c) change during the term of this Purchase Order.

Notwithstanding any cure periods set forth herein, Supplier acknowledges that designation as a Restricted Party shall be grounds for immediate termination of this Purchase Order by Viatris for cause with no cure period. "Restricted Party" means any individual or entity placed on lists of restricted, sanctioned or debarred parties maintained by an applicable governmental authority, including those established under the Act Governing Food Safety and Sanitation, the Controlled Drugs Act and the Cosmetic Hygiene and Safety Act or the regulations related to foreign assets control.

- (d) Anti-Bribery/Anti-Corruption Breach. Supplier has not and will not directly or indirectly offer or pay, or

authorize such offer or payment of, any money or anything of value in an effort to influence any Government Official (as defined below) or any other person in order for Viatris to improperly obtain or retain business or to gain an improper business advantage and has not accepted, and will not accept in the future, such a payment.

For purposes of this Purchase Order, a “Government Official” shall be broadly interpreted and means: (i) any elected or appointed non- Government official (e.g., a legislator or a member of a non- Government ministry); (ii) any employee or individual acting for or on behalf of a non- Government official, non- Government agency, or enterprise performing a function of, or owned or controlled by, a non- Government (e.g., a healthcare professional employed by a non- Government hospital or researcher employed by a non- Government university); (iii) any non- political party officer, candidate for non-public office, or employee or individual acting for or on behalf of a non- political party or candidate for public office; (iv) any employee or individual acting for or on behalf of a public international organization; (v) any member of a royal family or a member of a non- military, and (vi) any individual otherwise categorized as a Government Official under applicable Laws. “Government” means all levels and subdivisions of governments (i.e., local, regional, or national and administrative, legislative, or executive).

If Supplier has been provided with a copy of Viatris’ International Anti-Bribery and Anti-Corruption Principles, it will communicate such Principles to all persons acting on its behalf in connection with work for Viatris, including its agents or subcontractors.

Any information provided by Supplier to Viatris in connection with Viatris’ anti-corruption due diligence is complete, truthful and accurate and Supplier agrees to inform Viatris if any responses in the due diligence questionnaire with respect to the Supplier or any individuals identified in the due diligence questionnaire or their Family Relatives, as defined therein, change during the term of this Purchase Order.

If requested by Viatris, Supplier will complete and submit to Viatris, the *Third Party Annual Compliance Certification* at an annual interval, upon request by Viatris.

Supplier agrees that upon request of Viatris, any persons acting on behalf of Supplier in connection with the delivery of the Products or the Services performed for Viatris, will complete anti-corruption training provided by Viatris, and will notify Viatris of any persons that require such training, at the time of contracting and during the term of this Purchase Order.

If requested by Viatris, Supplier agrees to follow Viatris’ *My Anti-Corruption Policy and Procedures (“MAPP”)* in connection with the delivery of the Products or the Services performed under this Purchase Order, including requiring relevant employees of Supplier, as determined by Viatris, to complete training on anti-corruption and/or MAPP provided by Viatris.

- (e) Conflicts. The execution, delivery and performance of this Purchase Order by Supplier does not conflict with any agreement, instrument or understanding, oral or written, to which it is a party or by which it may be bound, and does not violate any law or regulation of any court, governmental body or administrative or other agency having authority over Supplier. Supplier is not currently a party to, and during the term of this Purchase Order will not enter into, any agreements, oral or written, that are inconsistent with its obligations under this Purchase Order.
- (f) Authority. Supplier is validly existing and in good standing under the Laws of the jurisdiction of its organization and has the power and authority to enter into this Purchase Order. This Purchase Order has been duly executed and delivered by Supplier and constitutes the valid and binding obligation of Supplier, enforceable against it in accordance with its terms except as enforceability may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium and other laws relating to or affecting creditors’ rights generally and by general equitable principles. The execution, delivery and performance of this Purchase Order have been duly authorized by all necessary action on the part of Supplier, its officers and directors.
- (g) No Actions Pending. There is no action, suit or proceeding, at law or in equity, before or by any court or governmental authority, pending or, to the best of Supplier's knowledge, threatened against Supplier, wherein an unfavorable decision, ruling or filing would materially adversely affect the performance by Supplier of its obligations hereunder or the other transactions contemplated hereby, or which, in any way, would adversely affect the enforceability of this Purchase Order, or any other agreement or instrument entered into by Supplier in connection with the transactions contemplated hereby. In the event Supplier becomes aware of such action, suitor proceeding, Supplier shall immediately notify Viatris.
- (h) Cooperation/Coordination with Third Party Vendors. Supplier acknowledges that Viatris may, during the course of this Purchase Order, work with one or more other third party consultants and service providers from time to time in connection with this Purchase Order. Supplier shall reasonably cooperate with all such third parties as Viatris may request from time to time.

7. INDEMNIFICATION

- (a) To the fullest extent permitted by applicable Laws, Supplier hereby agrees to defend, indemnify, and hold harmless Viatris, its affiliates (and their respective directors, officers, employees, agents, successors and assigns) (each, an “Indemnified Party”) from and against any and all claims, liabilities of every kind, including liability based on contributory, vicarious, or any other doctrine of secondary liability, or character, (collectively, “Losses”) arising out of or relating to any and all claims, liabilities, liens, demands, obligations, actions, proceedings, suits, causes of action of every kind (regardless of whether or not such Losses are caused in part by a party indemnified hereunder) arising out of or related to: demands, damages, judgments, awards, settlements, expenses, or losses, including costs of litigation and reasonable attorneys’ fees, arising, directly or indirectly, from: (i) the acts or omissions of Supplier or Supplier Personnel in connection with the provision of the Services or Products under this Purchase Order; (ii) any individual’s (including any Supplier Personnel’s) prospective, then-current or former employment by Supplier, including (A) any claim arising under occupational health and safety, worker’s compensation, Labor Pension Act or other applicable Laws, (B) any claim based on or arising out of any theory that Viatris is an employer or joint employer of any Supplier Personnel, (C) any claim arising out of any termination or separation from Supplier; and (D) any claim arising out of Supplier’s failure to pay any of its Personnel; (iii) a breach by Supplier of the representations, warranties, covenants, and any other provisions set forth in this Purchase Order Terms and Conditions, including, but not limited to, any confidentiality, privacy and/or security obligation stated in Section 5 above and the obligations to comply with Laws; (iv) any claim charging that Supplier’s provision or Viatris’ purchase or use of the Products or Services provided under this Purchase Order constitutes misappropriation or infringement of any Intellectual Property Rights (as defined in Section 11 below) or breach of a confidential relationship; (v) injury to or death of any person or damage to any property resulting from and/or caused by Supplier or its Personnel in connection with the Supplier’s performance or non-performances of Supplier’s obligations under this Purchase Order ; (vi) Supplier’s failure to require any consultant or subcontractor to be insured as set forth under the terms of this Purchase Order; or (vii) the negligence or willful misconduct of Supplier or its Personnel. If the Products or Services, or the use of such Products or Services, are held to constitute an infringement or misappropriation and their sale or use is enjoined, Supplier shall, at Supplier’s expense and option, either procure for Viatris the right to continue to use such Products or Services, or replace the same with equivalent non-infringing Products or Services, or modify the same so they become equivalent non-infringing Products or Services; except that if the foregoing is not commercially practicable or upon request by Viatris, Supplier shall refund to Viatris all fees paid by Viatris under this Purchase Order for such Products or Services and those Products or Services that are dependent thereon.
- (b) Supplier shall keep the Indemnified Party fully informed concerning the status of any litigation, negotiations or settlements of any claim, demand or action for which the Indemnified Party seeks indemnification hereunder. The Indemnified Party shall be entitled, at its own expense, to participate in any such litigation, negotiations and settlements with counsel of its own choosing. Supplier shall not have the right to settle any claim without the prior written consent of the Indemnified Party. This Section shall not be construed to limit or exclude any other claims or remedies at law or in equity that an Indemnified Party may assert.

8. INSURANCE

- (a) Prior to the commencement of any performance under this Purchase Order, Supplier shall provide and maintain such insurance coverage, in minimum types and amounts as described below in this Section, as will protect it and Viatris (including Viatris affiliates, its and their employees, directors, officers, shareholders and agents) from all claims which may arise out of or result from Supplier's performance under this Purchase Order, whether such operations be by itself or by its subcontractors, agents or representatives or by anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable.
- (i) Any and all deductibles for such insurance policies shall be assumed by, for the account of, and at Supplier's sole risk. All deductibles and self-insured retention amounts must be acceptable to and approved, in writing (if required), by Viatris.
- (ii) Such insurance policies shall be primary and non-contributing with respect to any other similar insurance policies available to Viatris or its affiliates. Except for Workers Compensation/Employers' Liability and Professional Liability/Errors & Omissions insurance, all such policies shall include Viatris and its affiliates and any other such entities as Viatris may reasonably request, as additional insureds. All such policies shall provide a waiver of subrogation in favor of Viatris and its affiliates.
- (iii) Supplier shall furnish to Viatris original certificates and additional insurance endorsements evidencing the specified insurance coverage, prior to beginning performance under this Purchase Order, and at contract renewal or expiration of any one coverage, whichever occurs first. If requested by Viatris, copies of the insurance policies, themselves will be provided. Not less than thirty (30) days’ prior written notice of any policy cancellation, or material change shall be given to Viatris. The Certificate(s)

of Insurance shall be signed by a person authorized by the insurer(s) to bind coverage on its (their) behalf. Supplier shall provide, pay for, and maintain in effect the policies with minimum "A-" A.M. Bests rated insurance carriers, or insurance companies satisfactory to Viatris. Coverage shall be maintained for the duration of this Purchase Order or as specified below, whichever is longer.

- (b) Acceptance of Insurance Certificate. Acceptance of any insurance certificate by Viatris shall not constitute acceptance of the adequacy of coverage, compliance with the requirements of this Purchase Order or serve as an amendment to this Purchase Order.

9. LIMITATION OF LIABILITIES

Notwithstanding the form (e.g., contract, tort or otherwise) in which any legal or equitable action may be brought, under no circumstances shall Viatris or its affiliates be liable for consequential, indirect, special, punitive, or incidental damages or lost profits, whether foreseeable or unforeseeable, based on claims of Supplier or any other party arising out of breach or failure of express or implied warranty, breach of contract, misrepresentation, negligence, strict liability in tort, failure of any remedy to achieve its essential purpose, or otherwise.

Notwithstanding the form (e.g., contract, tort or otherwise) in which any legal or equitable action may be brought, in no event shall Viatris or its affiliates be liable for any damages or losses that exceed, in the aggregate, the amount of fees paid and payable by Viatris for the Products or Services that gave rise to such damages or losses for each respective breach or series of related breaches. This Section shall not apply only when and to the extent applicable Laws specifically requires liability despite the foregoing disclaimer, exclusion and limitation.

10. TERM AND TERMINATION

- (a) Term. This Purchase Order shall commence upon Supplier's acceptance of this Purchase Order and shall continue through Viatris' acceptance of such Services or Products, as may be further specified in this Purchase Order.
- (b) Termination. In addition to Viatris' termination rights set forth elsewhere herein, Viatris may terminate this Purchase Order, in whole or in part, in its sole discretion: (i) upon thirty (30) days prior written notice to Supplier for any reason; (ii) immediately upon written notice to Supplier if Supplier breaches this Purchase Order; (iii) if reasonable grounds for insecurity arise with respect to Supplier's performance and Supplier fails to furnish adequate assurances within five (5) days after written demand by Viatris for such assurance; or (iv) immediately upon written notice to Supplier if Supplier becomes insolvent or otherwise makes an assignment for the benefit of creditors, commits an act of bankruptcy or files or has filed against it a petition in bankruptcy or reorganization proceedings. During any notice period, Supplier shall cease to provide the cancelled Services or Products, as the case may be, to Viatris as soon as commercially practicable after receiving such notice.
- (c) Termination for Breach of Global Trade Control Laws. Viatris may terminate this Purchase Order effective immediately upon notice to Supplier if Supplier breaches any of the representations, warranties, covenants, or agreements set forth in Section 6(c) or 6 (b), or for any other violation of Global Trade Control Laws. If this Purchase Order is so terminated, Viatris shall not be responsible for any payments due to Supplier or another party, even if activities have already occurred. Further, Supplier shall be responsible for reimbursing Viatris for any payments due to Viatris under this Purchase Order or any Agreement that are blocked due to violation of Global Trade Control Laws.
- (d) Termination for Breach of Anti-bribery/Anti-Corruption Representation. Viatris may terminate this Purchase Order effective immediately upon notice to Supplier, if Supplier (i) breaches any of the representations and warranties set forth in Section 6(d) or (ii) if Viatris learns that (a) improper payments are being or have been made or offered to Government Officials (as defined in Section 6(d)) or any other person by the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order or (b) that the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order has accepted any payment, item, or benefit, regardless of value, as an improper inducement to award, obtain or retain business or otherwise gain or grant an improper business advantage from or to any other person or entity. Further, in the event of such termination, Supplier shall not be entitled to any further payment, regardless of any activities undertaken or agreements with additional third parties entered into by Supplier prior to such termination, and Supplier shall be liable for damages or remedies as provided by this Purchase Order, at law or in equity.
- (e) Effect of Termination/Expiration. Upon termination or expiration of this Purchase Order: (i) Viatris shall be entitled to the ownership, possession, use and license of any and all work in process under this Purchase Order to which it is entitled pursuant to Section 11 below; (ii) Supplier shall invoice Viatris for all

outstanding fees and expenses incurred for Services satisfactorily performed and/or Products delivered under this Purchase Order through and including the date of any such termination or expiration; and (iii) Supplier shall comply with its obligations under Section 4(c) above.

- (f) Survival. The provisions of Sections 1(b) and (c), 4 –7, 9, 10(c) and (d), 11 – 12 and any other provisions which are expressly or by implication intended to continue in force after such termination or expiration shall survive the termination of this Purchase Order.

11. INTELLECTUAL PROPERTY

For all work products and deliverables created under this Purchase Order through the performance of the Services, Supplier and Supplier Personnel hereby assign and transfer to Viatris all rights to possession of, and all right, title, and interest, including all patent, copyright, trademark, trade secret and other proprietary and intellectual property rights ("Intellectual Property Rights") in and to such work products and deliverables created under this Purchase Order, in whatever form or medium captured, and in and to all physical and electronic materials, papers, and documents (including drawings), hereinafter referred to as "Works," and copies, abstracts, and summaries thereof, which are developed or conceived or which may come into their possession in any manner by reason of the provision of Services under this Purchase Order. Supplier shall promptly disclose to Viatris any Works known to Supplier or Supplier Personnel, and all such Works shall be deemed to be "works made for hire" exclusively for Viatris, with Viatris having sole ownership of such Works and the sole right to obtain and to hold in its own name any Intellectual Property Rights therein and thereto. Supplier hereby agrees to give Viatris or any person designated by Viatris at Viatris' expense, all reasonable assistance required to perfect the rights hereinabove defined. Supplier represents, warrants and covenants that it has caused or will cause all Supplier Personnel to enter into an enforceable agreement with Supplier prior to their performance of any Services, which agreement includes appropriate confidentiality, assignment of work product and invention provisions to effectuate the provisions of this Purchase Order. Notwithstanding the foregoing provisions, Viatris' ownership rights do not apply or extend to any of the following (collectively, the "Supplier Property"): (i) any methodologies, methods of analysis, ideas, concepts, know-how, models, tools, techniques, skills, knowledge and experience or other materials or property owned or licensed by Supplier before the provision of the Services under this Purchase Order; (ii) any improvements or other modifications to any of the foregoing that Supplier creates during the performance of the Services under this Purchase Order without the use of any of Viatris' Confidential Information or Intellectual Property Rights; or (iii) any of the Intellectual Property Rights in or to any of the items described in the preceding clauses (i) and (ii). All right, title, and interest in and to the Supplier Property is and shall remain in Supplier, and Supplier shall not be restricted in any way with respect to the Supplier Property. However, to the contrary, to the extent that any Supplier Property is incorporated into or embodied in any of the Works, or covers or controls any of the Works, or is necessary in order to fully and freely use any of the Works, Supplier hereby grants to Viatris and its affiliates a perpetual, irrevocable, worldwide, royalty-free, non-exclusive license, with the right to grant sublicenses, to (A) use such Supplier Property solely as part of or in connection with such Works or any derivative work based upon such Works, and (B) to modify such Supplier Property, solely to the extent such modification is necessary in connection with the creation of a derivative work based upon such Works.

12. MISCELLANEOUS

- (a) Use of Viatris Trademark/Name; Publicity. Supplier shall not issue any press release or other publicity materials, or make any presentation with respect to the existence of this Purchase Order or the terms and conditions hereof without the prior written consent of Viatris in each instance. Supplier shall not publicize or use any name, trade name, service marks, trademarks, trade dress or logos of Viatris (or any of its affiliates) nor identify Viatris (or any of its affiliates) as a customer without Viatris' prior written consent in each instance. This restriction shall not, however, apply to the extent that any such disclosures are required by applicable Laws, including as may be required in connection with any filings required to be made with the United States Securities and Exchange Commission or by the disclosure policies of a major stock exchange.
- (b) Governing Law; Venue. The validity, interpretation and performance of this Purchase Order shall be governed by and construed in accordance with the laws of Taiwan without regard to the principles of conflicts of law. THE PARTIES EXPRESSLY AGREE THAT THE APPLICATION OF THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS (1980) IS SPECIFICALLY EXCLUDED AND SHALL NOT APPLY TO THIS PURCHASE ORDER. All actions and proceedings under this Purchase Order shall be brought exclusively in a court of competent subject matter jurisdiction in the City of Taipei in Taiwan (Taipei District Court). Each Party hereby waives (i) any objection which it may have at any time to the venue of the proceedings in any such court, (ii) any claim that such proceedings have been brought in an inconvenient forum and (iii) the right to object, with respect to such proceedings, that such court does not have any jurisdiction over such Party. IN ANY CONTROVERSY OR

CLAIM, WHETHER BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY, ARISING OUT OF OR RELATING TO THIS PURCHASE ORDER, ITS NEGOTIATION, ENFORCEABILITY OR VALIDITY, OR THE PERFORMANCE OR BREACH HEREOF OR THE RELATIONSHIPS ESTABLISHED HEREUNDER, ALL PARTIES HEREBY WAIVE THEIR RIGHT TO TRIAL BY JURY.

- (c) Relationship of the Parties. Viatris engages Supplier only for the purposes and to the extent set forth in this Purchase Order and, accordingly, Supplier shall not be considered a partner, co-venturer, agent, employee, or representative of Viatris, but shall remain in all respects an independent contractor, including for purposes of the Occupational Safety and Health Act or state equivalent. Neither Viatris nor Supplier shall have any right or authority to make or undertake any promise, warranty or representation, to execute any contract, or otherwise to assume any obligation or responsibility in the name of or on behalf of the other party. Neither Viatris nor Supplier shall be deemed a joint employer of the other's employees, each party being responsible for any and all claims by its employees. Neither Party's employees shall be deemed "leased" employees of the other for any purpose.
- (d) Assignment; Subcontracting. This Purchase Order or any right or obligation arising therefrom shall not be assigned or transferred by Supplier in the absence of Viatris' prior written consent thereto and any purported assignment or transfer absent such consent shall be automatically deemed null and void. Supplier shall not delegate or subcontract any of its obligations or responsibilities under this Purchase Order to any third party (including to an affiliate of Supplier) without Viatris' prior written permission. No delegation or subcontracting by Supplier hereunder shall relieve Supplier of any of its obligations or responsibilities under this Purchase Order and Supplier shall remain responsible for obligations, services and functions performed by its subcontractors to the same extent as if they were performed by Supplier.
- (e) Divestiture. Notwithstanding anything to the contrary contained in this Purchase Order, to the extent related to or arising in connection with a divestiture (whether by sale, spin-off, or similar transaction) by Viatris of all or any portion of a Viatris business or business unit ("a Divestiture"), Viatris may, without prior written notice to or consent of Supplier, without any penalty, and at no additional cost to Viatris or to any affiliate of Viatris or to the company or the group of companies resulting from such Divestiture (collectively, such companies, the "Resulting Companies"): (1) assign its rights and obligations under this Purchase Order, in whole or in part to one or more of the Resulting Companies, or (2) split and assign, in whole or in part, its rights and obligations under this Purchase Order to one or more of the Resulting Companies so as to retain the benefits of this Purchase Order for both Viatris and the applicable Resulting Company/(ies) following such Divestiture.

From and after any partial assignment or split (i) the rights and obligations of Viatris hereunder shall be divided between Viatris and the Resulting Company/(ies) to whom such rights and obligations are transferred as specified by Viatris, such that all such rights and obligations related to the business of the applicable Resulting Company/(ies) shall be enforceable only by and against the applicable Resulting Company/(ies), and all other such rights and obligations shall be enforceable only by and against Viatris and (ii) to the extent this Purchase Order contains any volume-based pricing or discounts in favor of Viatris or minimum purchase thresholds, any purchases by Viatris and the applicable Resulting Company/(ies) hereunder shall be aggregated for purposes of determining the applicable pricing and discounts and whether any minimum threshold has been met. Supplier will work cooperatively with Viatris and the applicable Resulting Company/(ies) to ensure a smooth and orderly transition, including, to the extent requested by Viatris, entering into separate agreements with Viatris and the applicable Resulting Company/(ies) on substantially the same terms and conditions (as adjusted to take into account the nature of the separate contracts while maintaining the economic, business and other purposes of the Purchase Order).

No term, condition or provision of this Purchase Order, whether express or implied, shall be construed to limit Viatris' use of the Services for the benefit of Resulting Company/(ies) for up to two (2) years after a Divestiture, and Supplier shall not charge Viatris any additional fee of any kind whatsoever for such usage.

- (f) Force Majeure. No Party shall be liable for any failure to perform or any delays in performance, and no Party shall be deemed to be in breach or default of its obligations set forth in this Purchase Order, if, to the extent and for so long as, such failure or delay is due to any causes that are beyond its reasonable control and not to its acts or omissions, including, without limitation, such causes as acts of God, natural disasters, flood, severe storm, earthquake, civil disturbance, lockout, riot, order of any court or administrative body, embargo, acts of government, war (whether or not declared), acts of terrorism, or other similar causes ("Force Majeure Event"). For clarity, raw material price increases, unavailability of raw materials, and labor disputes shall not be deemed a Force Majeure Event. In the event of a Force Majeure Event, the Party prevented from or delayed in performing shall promptly give notice to the other Party and shall use commercially reasonable efforts to avoid or minimize the delay. The Party affected by the other Party's delay may elect to: (a) suspend performance and extend the time for performance for the duration of the Force Majeure Event, or (b) cancel all or any part of the unperformed part of this Purchase Order.
- (g) Severability. If and solely to the extent that any court or tribunal of competent jurisdiction holds any provision of this Purchase Order to be unenforceable in a final non-appealable order, such unenforceable

provision shall be stricken and the remainder of this Purchase Order shall not be affected thereby. In such event, the parties shall in good faith attempt to replace any unenforceable provision of this Purchase Order with a provision that is enforceable and that comes as close as possible to expressing the intention of the original provision.

- (h) Waiver; Partial Invalidity. The failure of Viatris to insist in any instance upon strict performance by Supplier of any provision of this Purchase Order shall not be construed as a continuing waiver of such item, or waiver of any other provision of this Purchase Order or any corresponding Agreement. If any provision of this Purchase Order shall be held illegal or unenforceable by any governmental authority having jurisdiction over this Purchase Order, the validity of the remaining portions shall not be affected thereby.
- (i) Headings. Headings are included herein for convenience of reference only, and shall not constitute apart of this Purchase Order or change the meaning of this Purchase Order.
