How to report adverse events of Viatris products?

Patient safety is of paramount importance throughout the life cycle of a medicine and pharmaceutical companies have ethical and regulatory responsibilities to monitor the safety of the products they sell for as long as they are used by consumers anywhere in the world. The Pharmacovigilance Team at Viatris Healthcare Hong Kong Limited address product experience reports including adverse events. If you have any experience pertinent to the above, please contact us at pv.hk@viatris.com as soon as possible.
