Prescriber Certification and Prescription Signature

I certify that the information provided in this Patient Assistance Program Application is complete and accurate to the best of my knowledge, that the Viatris product I have prescribed to the applicant within this application is based on my professional judgment of medical necessity for a Food and Drug Administration (FDA) approved indication, and that I will supervise the patient's medical treatment. I will notify Viatris PAP immediately if the Viatris product is no longer medically necessary for this patient's treatment. I certify that I have obtained from my patient all required written authorizations for the release of my patient's personal identification and insurance information to Viatris and their agents and representatives.

By signing below, I attest that I can prescribe, receive, store, and dispense the Viatris product and that I, and the facility located at the shipping address I provided above that will receive the product, hold all required state licenses to receive, store, and dispense the product.

I understand that any information provided to Viatris and its agents and representatives is for the sole use of Viatris and their agents, service providers, and representatives to verify my patient's insurance coverage status, to assess the patient's eligibility for participation in the Viatris Patient Assistance Program (collectively, "the Program"), and to otherwise administer the product and related services. I understand that application to the Program does not guarantee that assistance will be obtained.

I understand that Viatris may change or cancel this program at any time. I understand that if my patient's financial and/or insurance status changes, the patient may no longer be eligible for the Program, and I agree to immediately notify a Viatris PAP representative if I become aware of changes in the patient's financial and/or insurance status. I agree that Viatris PAP may contact me for additional information relating to this application either by fax, e-mail and/or telephone. I understand that I am under no obligation to prescribe any Viatris product and that I have not received, nor will I receive, any benefit from Viatris or its agents or representatives for prescribing a Viatris product. I agree that I will not sell, submit claims or make any attempt to receive reimbursement from any third party for any product provided by the Program.

I understand and agree that (i) the Viatris product identified above will be dispensed only to the applicant named in this application and is not intended for any use other than such applicant's participation in the Viatris PAP; (ii) the Viatris product may not be used for any other purpose, including any sampling or bridge program; and (iii) my facility has appropriate procedures in place to ensure that the Viatris product will be handled, stored and dispensed as described in this paragraph.

By signing this Patient Assistance Program Application, I authorize the release of medical and/or other patient information to agents and service providers of Viatris to use and disclose as necessary for verification of patient eligibility, and to furnish any information on this form to the insurer of the applicant for the purpose of verifying benefit eligibility. I understand that Program duration per eligibility period is 12 months, and the maximum number of refills per eligible patient is 11 for each unique enrollment.

- III. Facilitate dispensing of my prescription by a non-commercial pharmacy,
- IV. Provide me with educational materials, information and services related to my treatment experience with my prescribed medication and my condition,

However, Viatrix agrees to protect my Protected Health Information by using and disclosing it only for the purposes described in this Authorization or as permitted by law. I understand that I may refuse to sign this Authorization. My choice about whether to sign will not change the way my Healthcare Providers or Insurers treat me, but I will not have access to the Viatrix Patient Assistance Program and the services provided by Viatrix under the Program. If I refuse to sign the Authorization, or revoke my Authorization later, I understand that this means I will not be able to participate in or receive assistance from the Program.

I understand that my signed Authorization is valid for 5 years from the date of my signature, and that I may revoke this Authorization at any time in the future, except to the extent that actions have been taken in reliance on the Authorization. I am entitled to receive a copy of this Authorization.

I understand that if I qualify and I am enrolled in the Program sponsored by Viatrix, I will receive my Prescribed Product from Viatrix only pursuant to a legally valid prescription from my health care provider. I understand that if I qualify and I am enrolled in the Program, Viatrix will provide me my Prescribed Product free of charge for the duration of the enrollment period so long as I have a legally valid prescription for my Prescribed Product. I understand that I am not required to continue treatment with my Prescribed Product if I gain insurance coverage, or to receive treatment from any given provider. I understand and agree that I must notify Viatrix PAP at 888-417-5780 immediately if my insurance status changes during the Program enrollment period. I understand and agree that neither I nor my Insurers, if applicable, will be charged for the supply of my Prescribed Product that I received from the Program, and that under NO circumstances may I claim reimbursement from my Insurers or any other third party for the Prescribed Product provided to me free of charge from the Program. I understand that Viatrix reserves the right at any time without notice to modify or discontinue the Program and its criteria.

I understand that I am providing 'written instructions' to Viatrix under the Fair Credit Reporting Act authorizing Experian on behalf of Viatrix to obtain information from my credit profile or other information from Experian. I authorize Viatrix and its service providers to obtain such information solely for the purpose of determining financial qualifications for the Program.
